Payment received date: _____ Payment taken by: _____

Plaque engraved by: _____ Plaque installed by: _____

Adopter notified date: _____ Notified by: _____

FAQ's

Q – What is the difference between a Silver & Gold plaque?

A – For £25 a Silver plaque will be placed on one end of a plank. Someone else will buy a plaque for the other end.

A – For £50 a Gold plaque will be placed on one end of a plank showing the whole plank has been adopted by one contributor, no other plaque will be placed on that plank.

Q – How long will my plaque remain on the walkway?

A - The material used for the plaques is the same as that used on oil rigs, we expect it to last 10 years

Q – Is there a limit to how many words I can have engraved?

A – No, but fewer words will be easier to read by passers-by. We suggest 20 characters per line and up to 3 lines.

Q – Can I have more than 1 plaque?

A – Yes we would encourage you to buy as many plaques as possible. Just enter the number you require in the box next to Silver or Gold.

Q – Can my message be engraved in another language?

A – We are able to engrave in most European languages, please ask for details.
