Become a Friend or Volunteer

Please help us improve the facilities at Queenborough Harbour and be a part of its growth and development...

You may know Queenborough Harbour: its unique setting in Kent commands a strategic position on the South East coast providing a jumping off point for London, Ramsgate, the East Coast and the Continent. It is also the entry port to the River Medway and the Medway towns as well as a fascinating cruising area in its own right.

A not for profit, community-focused organisation, Queenborough Harbour Trust has plans to unlock the fantastic potential and develop Queenborough so that it satisfies the demands of the maritime and local community alike and with your help we can make that happen.

We warmly invite you, either as an individual or as an organisation to become a part of our plans for the future. We hope you will share your views with us as to how best improve the harbour services and we would like to keep you abreast of developments through our on-line newsletter.

Thank you, Bob Eatwell, Chairman
